

REMARKS/ARGUMENTS

Claims 2-5, 7, 12, and 13 are pending and under examination in the captioned application.

The Examiner has stated, "Claims 5, 7 and 13 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims."

In response, Applicants have rewritten claims 5, 7 and 13 as the Examiner has suggested.

Further, Applicants have cancelled claims 2-4 and 12, without prejudice, to the filing of a continuation application directed to these claims.

In view of the foregoing, Applicants believe that the elected claims 5, 7 and 13 are in allowable form and earnestly solicit there allowance.
